

Statewide Interoperability Executive Committee (SIEC)
Revision to Approved Policies and Procedures
Update to Reflect the PSIC Office Transition to ADOA

Revision to Approved Policies and Procedures

Update to Reflect the PSIC Office Transition to ADOA

Approval Date: 08/16/2011

Background: Governor Brewer signed into law the FY 2012 budget for the year beginning July 1, 2011 on April 6, 2011. The Consolidation Budget Reconciliation Bill[1] (Laws 2011, Chapter 27) eliminates the Government Information Technology Agency (GITA) and transfers the functions of the agency to the Arizona Department of Administration (ADOA) beginning in FY 2012.

On July 1, 2011, the functions of GITA were transferred to the Arizona Strategic Enterprise Technology (ASET) Office within ADOA.

Proposed Action: All policies, standards, procedures and other official actions of the SIEC and their work groups are hereby approved to be amended to:

1. Update all references to the Government Information Technology Agency (GITA) to the Arizona Department of Administration - Arizona Strategic Enterprise Technology Office (ADOA-ASET)
2. Update the PSIC Office mailing address to 100 N 15th Avenue, Suite 400, Phoenix AZ 85007.
3. Update the PSIC Office web address to www.AZPSIC.gov
4. Update all PSIC Office e-mail addresses to end: @AZPSIC.gov

Note: The PSIC Office phone number shall remain 602-364-4498.
